RE: 2022 Calendar Year Employee Elective Contribution Election

Dear Participant;

As an active participant of the MCASF Local 725 Defined Contribution Retirement Trust Fund, the Collective Bargaining Agreement requires your employer to remit contributions based on your job classification for hours you are paid in a year on your behalf to the Trust Fund.

In addition to the fore-mentioned Employer Contribution, you may elect to have additional Employee Elective Contributions remitted on your behalf for hours you are paid during 2022.

Before deciding whether to submit the attached election form, which will commit you to having Elective Contributions deducted from your gross pay and paid to the Defined Contribution Retirement Trust, you should consider the effects this decision might have on your net take-home pay. Please consult with your personal financial and tax advisors for guidance.

The calendar year 2022 maximum amount of Elective Contributions that may be remitted on your behalf is **\$20,500**. If you will be at least 50 years old on December 31, 2022, you may elect to have additional “catch-up” employee elective contributions remitted on your behalf in addition to your Employee Elective Contributions. The calendar year 2022 maximum amount for the “Catch-Up” Employee Elective Contributions is **\$6,500**.

Once you have met the maximum amount allowed, no further contributions will be remitted by your employer on your behalf for the remainder of 2022.

This election is for the entire year and cannot be changed. Your election form must be received by **November 30, 2021** for the calendar year 2022. If your form is not received by that date, you will not have Employee Elective Contributions remitted on your behalf for the hours you are paid in 2022. There are **no** exceptions.

As this is an election for the full year, if during the year, you change employers, you must inform your new employer of this Employee Elective Contribution Election.

Again, you should consult with a financial advisor/tax consultant prior to submitting your election.

Sincerely,
Board of Trustees
MCASF Local 725 Defined Contribution Retirement Trust Fund
